ABOUT ME

A founding member of ICC with 39 years of expertise in operations along with extensive local and global exposure. I have accomplished several professional milestones during my tenure at the firm. At ICC, my role has evolved from core production to overall company management and strategic marketing. My contribution and expertise have led the company to rank as one of the most competitive and highly ranked suppliers in Pakistan including being a priority supplier for beverage giants, Coca Cola and Pepsi.

Possessing aptitude and knowledge of latest production technologies has enabled me to stay current with technological advancements and implement state of art technology at ICC.

Along with holding a Graduate degree in Accounting and Finance, I have attended several professional trainings & received certifications in Leadership Excellence, Finance & Marketing & various industrial process compliances.

ACHIVEMENTS

Transforming ICC from a small-scale unit to a key producer and supplier of crown & cap and successfully meeting high quality requirements of our customers through modern technology machines.
